SUMMARY OF INFORMATION

SG1A

The pleasure boat named [REDACTED] is currently located
at approximately 21 degrees north and 75 degrees east.

It is enroute for the Port of Manati, Puerto Rico (ENCLOSURE 1) where it will load contraband in the form of white material, cocaine.

It will then sail eastward, then south (towards Barbados), then westward (south of Grenada), and finally north towards Puerto Rico. Following this broad circular course it will then head northeast towards the south eastern coast of the U.S. See ENCLOSURE 1 *for route of travel.*

The drugs are projected to be offloaded in the areas of Jacksonville, Willimington, Swan's Borough, and New Bern, North Carolina. See ENCLOSURE 2.

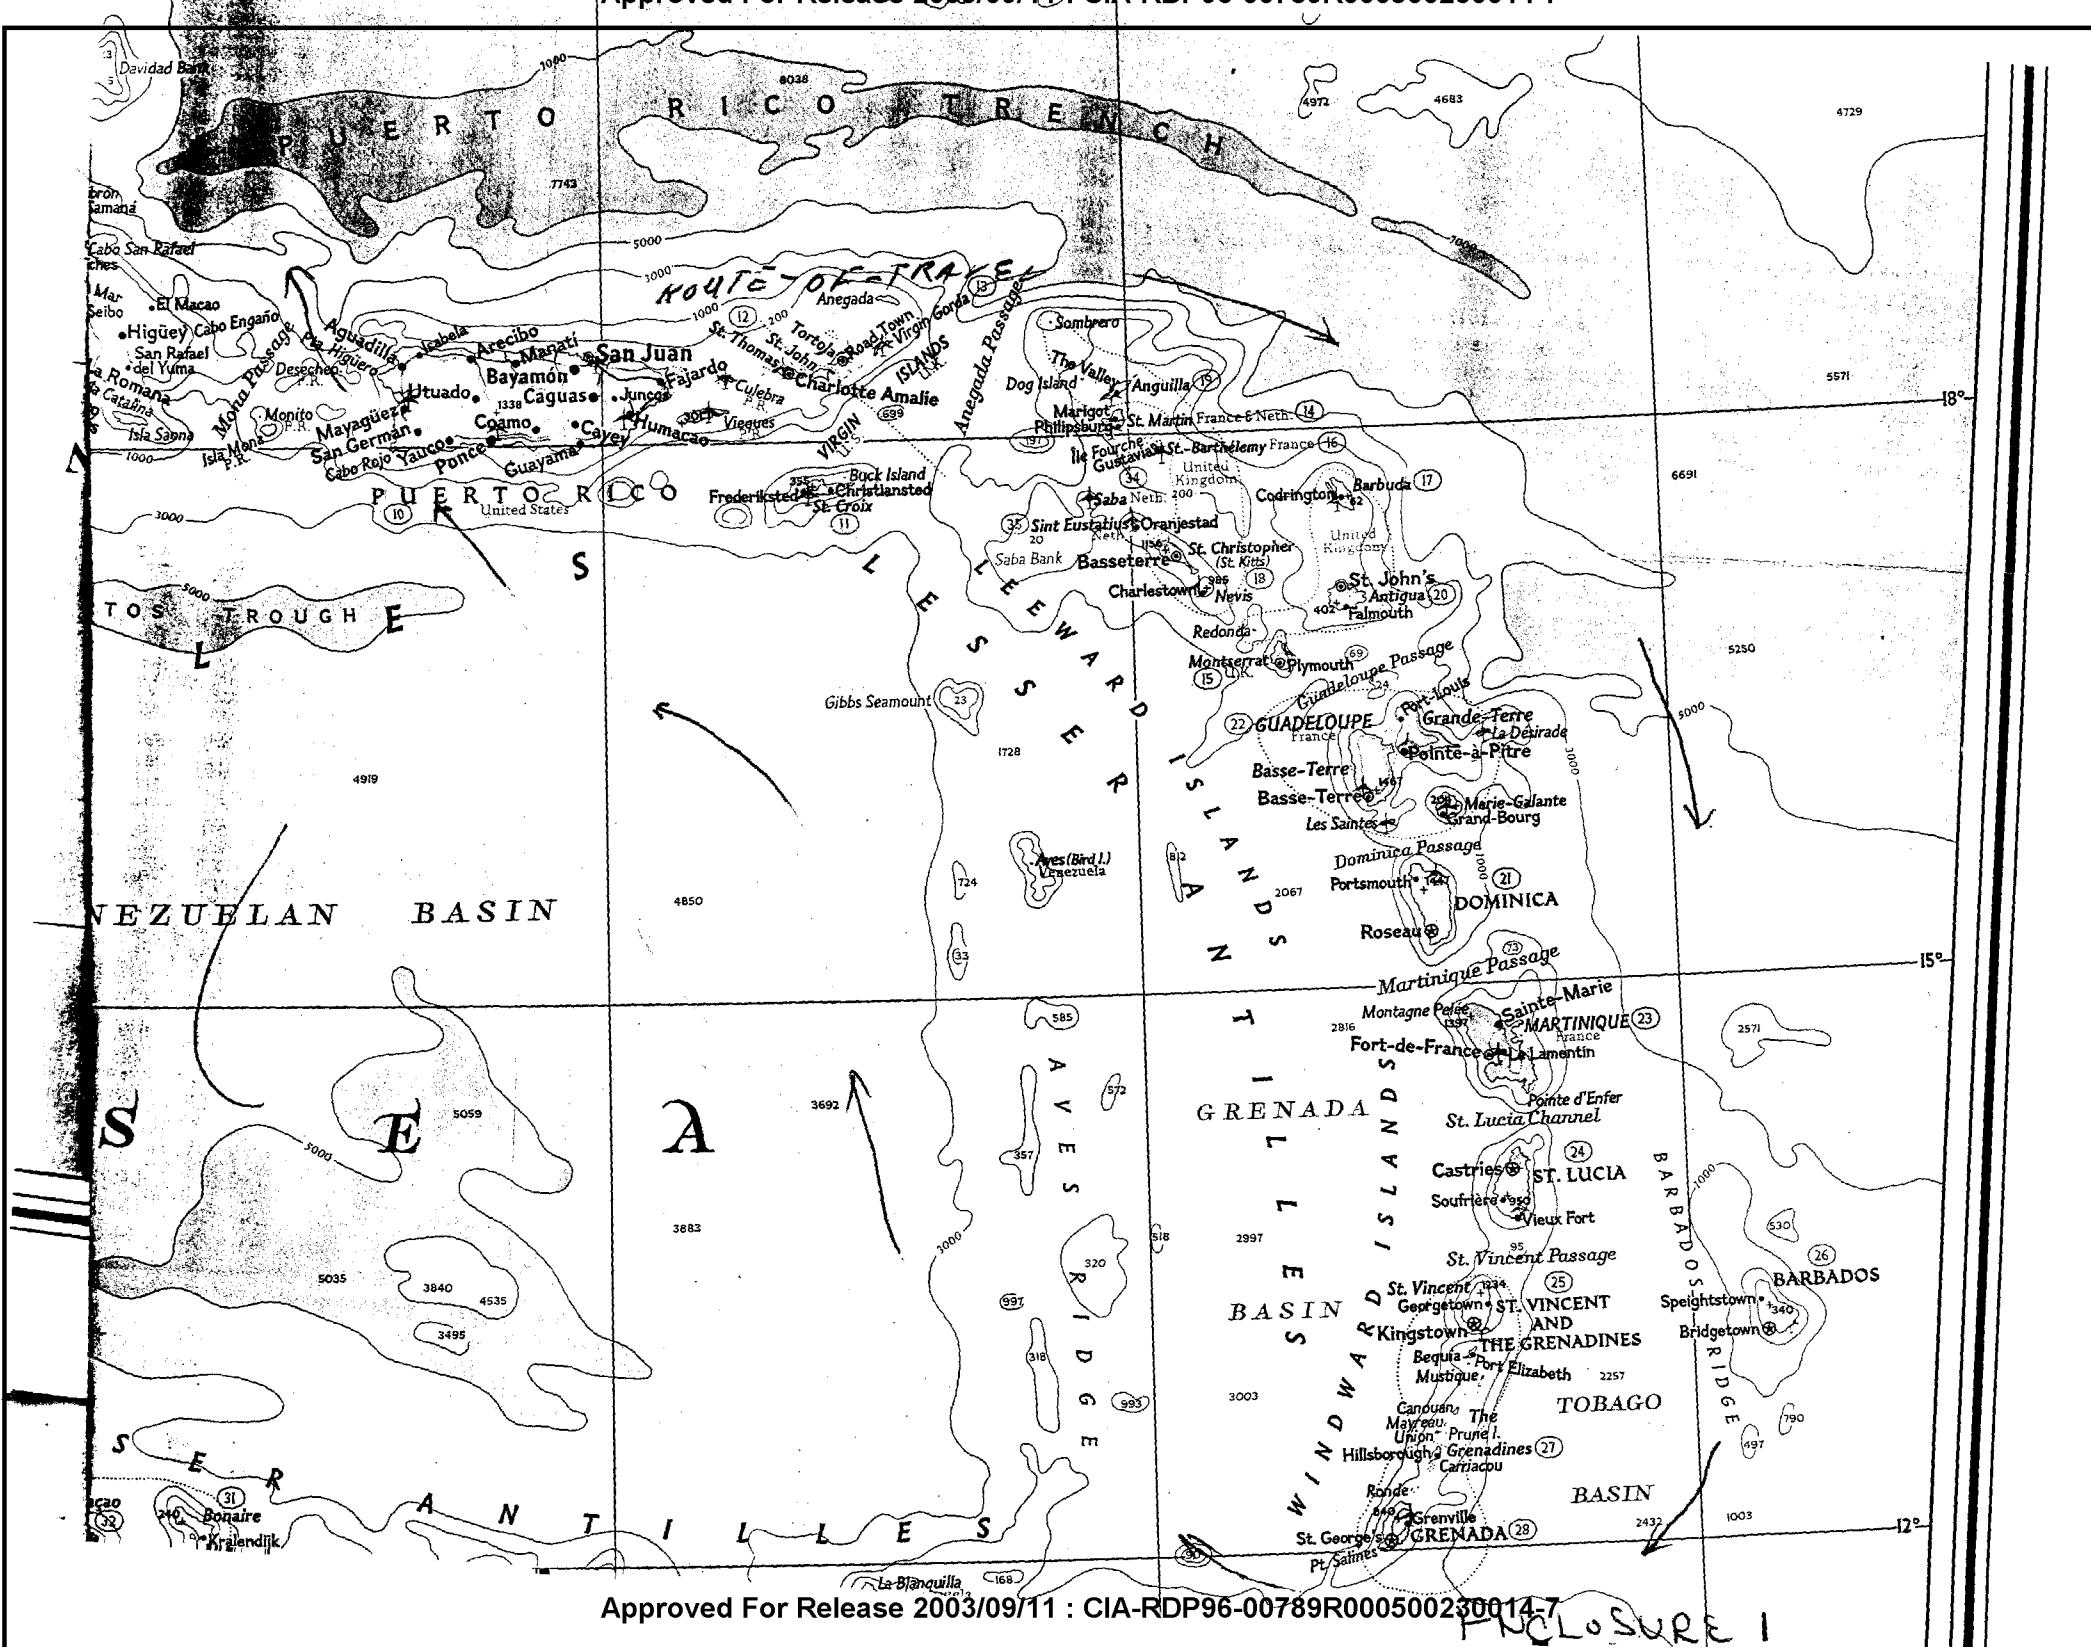

Ultimately the drugs are destined for Memphis, Tennessee and Chicago, Illinois.

(Ops Comments: "Trader Vic/Trader Dick" phonetically surfaced as an indicator identifiable with the ultimate destinations.)
